

# **Introduction to TREDIS<sup>®</sup> 5**

## **A Better Way to Visualize Transportation Economics**

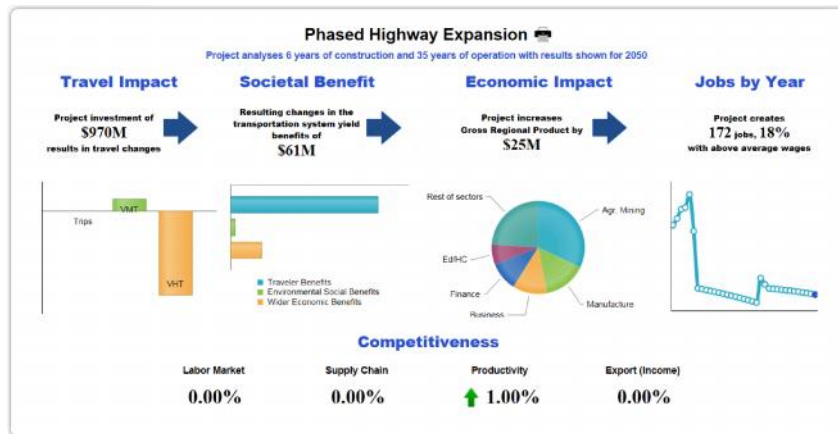

**November 17, 2015**

# Agenda

- **What is TREDIS?**
- **TREDIS 5 Enhancements**
- **Live Demonstration**
- **Questions & Answers**

# What is TREDIS?

**TREDIS® 5** is a decision support system that helps tell the economic impact story for your transportation project.

With enhanced visualization using infographics, interactive graphics, maps, and tables TREDIS provides you with the

- economic impact,
- benefit- cost, and
- financial impact information

to better communicate and provide insights for decision-making and planning.

# What's New in TREDIS 5

- **Enhanced Visualization**
- **Dynamic Multi-year Travel Characteristics**
- **More Transit-friendly Input Controls**
- **Market Access Improvements**
- **Enhanced Precision**
- **Custom Mode Update**
- **Improved Results Processing**
- **Improved Help System**

# Webinar Case Study
